ANYONE wanting to participate in a combined **garage sale** at the community centre later this year can register their interest by phoning Len or Gay on 0417 072902 or 6239 1665.

## Getting warmer with heaters

LAST month, a group of volunteers, including Attila Vrana, Peter Fawcett, John Harbinson and AJ, assisted by Andrew Bird and his excavator, managed to hoist and concrete our new power pole into place. This allowed Aurora to connect the new supply cable and the new infrared heaters to be switched on.

Until additional equipment is installed, the heaters are only able to operate at about one-quarter of their capacity. The gas heater can run on a 9kg cylinder to supplement the infrared heaters, which should be fully operational by next winter.

# Fire Brigade exercise

THE fire brigades that make up the fire service Hobart district (from Taroona to Molesworth to Bridgewater to Cambridge to Rokeby) conduct an inter-brigade exercise in spring each year, using their Toyota Land Cruiser 4x4 light tankers. Each carries up to 500 litres of water.

Because these brigades all provide mutual aid to one another, particularly in response to wildfires in greater Hobart's urban/bushland interface, the exercise has three main aims:

- To allow brigade members to become familiar with one another's areas of operation.
- To test the wide range of competencies that wildfire response crews are expected to possess, such as safety, radio communications, navigation, pump operation, first aid, driving under operational conditions, equipment use, scene observation, weather observation, fire behaviour and tactics.
- To expose crews to operating under the incident control system used by all Tasmania's firefighting agencies (TFS, Parks and Wildlife Service and Forestry Tasmania) to manage large incidents, including wildfires.

The exercise is an important part of the

FERN Tree Fire Brigade's Juniors program will start on 3 October 2010 and run until 3 April 2011.

It will be conducted at Fern Tree Fire Station, 9 Summerleas Road, from 6.30pm to 7.30pm every second Thursday night and is open to girls and boys resident in the area covered by this newsletter who are aged between 11 and 16 years.

To enrol, please contact Chris Wagstaff in advance on 6239 1341 or 0438 055 199.

Hobart district's pre-planning and readiness evaluation processes.

As Fern Tree was the winner of the exercise perpetual trophy in 2009, it's our turn to organise and run the exercise on Saturday, 16 October, in which up to 14 brigades will participate.

During the exercise, vehicles will not travel under emergency operating conditions and they will run on public roads in Ridgeway and Fern Tree and on some fire trails in the Ridgeway and Wellington Parks, under permits issued by each park manager.

No live firefighting operations will be undertaken during the exercise.

- Brigade chief Garry Sullivan

# A magic mountain

THE Mountain Festival celebrates Mt Wellington and its special places, and this year we focus on celebrating its water.

On the weekend of 9 and 10 October, events will be held on the mountain and the waterways that flow from it.

On Saturday we start at Brookfield Winery, Margate, with a puppet show and walks, talks and displays about the flora, fauna and history of the area.

Meanwhile at Tolosa Park, Glenorchy, from 10am to 3pm, there are family activities and interpretive walks. At The Springs on Mt Wellington, there will be interpretive walks and children's activities from 1.30pm.

On Sunday, the Sandy Bay Rivulet is the focus of activity, starting at Parliament St Reserve, Dynnyrne, with Bushcare, breakfast and dancing, and moving up to the Waterworks from midday

for the Teddy Bears Picnic, the Mountain Orchestra, and interpretive walks and family activities.

In the evening, the Fern Tree community centre will host the Mountain Questival, a cabaret, quiz and feast from 6pm.

Get the details from our website at <http://ferntree.tas.au/mountain-festival>, and contact us at [mfbbookings@gmail.com](mailto:mfbbookings@gmail.com) with any enquiries.

# Books and quiz boost funds

THE community centre was the venue for a **quiz night** in August, an enjoyable event attended by 45 people, mostly locals. Funds raised amounted to a very satisfactory \$550.

Thanks are due to Len, Gay and Gill for the questions and planning, to Jeff Keogh for doing MC duties and to Mira at the Fern Tree Store for taking bookings.

Prizes and a raffle are important to the success of the evening, and the committee is grateful to the following donors: South Hobart Butcher, The Globe Hotel, The Mercury Newspaper, The Coop Bookshop, Liz Dombrovskis, 9/11 at St Ives Hotel, Murielle, Andrew, Peter and Hilary.

A **SUCCESSFUL book fair** was held on 14 August at the community centre.

More than 300 books were sold, raising a very healthy \$850 for the hall heating fund.

The committee is grateful to Alan Bryce who masterminded the event and to the many donors and customers who supported it. The next fair will be held early next year.

A **CAKE stall** on federal election day has raised \$227.50 to add to the community centre fund. Many thanks to all those who supplied and bought a wide range of tasty products, including jams, sauces, cakes, slices, biscuits and scones. Everything sold before midday.
